Summer School in Schooltool

Are you going to use ST to track summer School? Are you hosting a regional Summer School site?

Email Schooltool@edutech.org and let us know.

Next Version of SchoolTool, 17.3, coming March 20

Mindex is releasing 17.3 on March 20. Watch for the install schedule and release notes from our server team.

Have you signed up for our Community Forum and Training Alerts?

NEW! We are hosting a "Community Forum" on our Schooltool page where you and other Schooltool districts can share Schooltool issues, ideas and concerns.

To join, go to <https://www.edutech.org/resources/student-systems/schooltool> and click the **Schooltool Districts Community Forum** button and **create an account**. The first time you login, you will be prompted for an enrollment code. The Enrollment code is **schooltool-forums**.

Would you like to receive notification when we add trainings to the schedule or add documentation to our website?

Go to the link below and follow the instructions to subscribe to the EduData Student Services Blog.
