    - English Language Arts
    - Living Environment
    - Physical Setting/Earth Science (no performance)

  - All other June Regents are cancelled for 2021
    - Algebra II
    - Geometry
    - Physical Setting/Chemistry
    - Physical Setting/Physics
    - Global History & Geography
    - United States History & Government

Regents

➢ Students receiving remote instruction should not be made to come to school for the purpose of taking the Regents Exam

➢ Schools should make parents aware of the Regents Exam offerings and schedule

➢ Students are not required to complete the 1,200 minutes of satisfactory lab requirement to take the Science Regents or exemption from the assessment requirement

Regents

➢ Regents Exemption Eligibility

- Currently enrolled in a course of student ending in a Regents Exam AND earned credit in the course by June 2021 or August 2021

- Be in grade 7 or 8, enrolled in a course of study leading to a Regents and meet the learning outcomes for the course by June 2021 or August 2021

- Successfully complete a make-up program by August 2021 in a course of study that ends in a Regents Exam

- Previously achieved course credit in a course of study leading to a Regents Exam and has not yet passed the exam, but intended to take the exam in June 2021 or August 2021

Regents

➢ Intention to take the Regents Exam

- Student informed the school that they wished to retake the examination

- Student was receiving academic intervention, supplemental instruction, or tutoring of some kind in preparation to take the examination

- Student or parent confirmation of intention to take the exam

Regents

➢ Students who take one of the four June Regents are still eligible for an exemption if they meet the eligibility requirements

➢ Students do not qualify for an exam exemption if they previously took the same Regents Exam and passed with a 65 or higher

➢ Transfer students are eligible for Regents Exam exemptions if the high school granted transfer credit in the course and the student intended to take the Regents exam in June 2021 or August 2021

Regents

➢ Students cannot earn credit in a course by examination through the Regents exam exemptions

➢ Homeschool students are NOT eligible for Regents exemptions **and** are still required to submit an annual assessment (see FAQ for more information on what is acceptable for their annual assessment his year)

Local LOTE Exams

➢ Students who have met the learning standards assessed in a course leading to the Checkpoint A/World Languages exam may waive the exam requirement and grant the student their first unit of credit

➢ It is a local district decision if the locally-developed World Language Checkpoint A and B Exams are administered

➢ If districts do **NOT** administer Local Checkpoint A and B exams, they **cannot** use 6/21/2021 as a Regents Day

+1 Pathway Exams

➢ Enrolled in and earn credit in a course leading to the +1 Pathway assessment by the end of the 2020-21 school year

➢ Previously enrolled and achieved credit in course leading to the +1 Pathway, **and** has not yet passed the assessment, but intended to take the test in spring or summer 2021

➢ Currently or previously identified as an English Language Learner (ELL), including provisionally identified ELLs, and Multilingual Learners (including heritage language speakers) whose home language is one of the languages tested by the NYSED-approved LOTE/World Languages +1 Pathway Assessments, or a student deemed qualified by the principal in consultation with relevant faculty, and intended to take the LOTE/World Languages +1 Assessment in Spring or Summer 2021 to achieve a passing score

➢ Deemed qualified by the principal in consultation with relevant faculty in the use of American Sign Language (ASL) and intended to take the LOTE/World Languages +1 Pathway Assessment in ASL in Spring or Summer 2021 to achieve a passing score.

CDOS and CTE

➤ CDOS +1 Pathway exemption can be given if student has demonstrated the knowledge and skills outlined in the commencement level CDOS learning standards **and** met the expectations of the course in preparation for the exam

➤ CTE students who earn the applicable program credit by the end of 2020-21 school year and intended to take the CTE +1 Pathway Assessment are exempt

➤ Districts should make every attempt to provide CTE students the opportunity to take assessments for the purposes of earning an industry certification or that lead to a credential

➤ CTE students can still be granted the Technical Endorsement on their diploma through individual determination

Seal of Biliteracy Students

➢ Students who are working to earn the NYSSB **and** receive an exemption from the Regents Examination in English Language Arts (ELA) in June or August 2021

- Exempt from such assessment for the purposes of meeting NYSSB requirements so long as they have demonstrated proficiency in the ELA learning standards assessed through the provided coursework

And

- Earned credit for such course by the end of the 2020-21 school year. In this case, the exempted Regents examination may be applied as a point towards NYSSB's "Criteria for Demonstrating Proficiency in English" requirement

Diplomas, Credentials and Endorsements

CDOS Commencement Credential

➢ Students who are otherwise eligible to exit from high school in the 2020-21 SY can be awarded the CDOS Commencement Credential without having met all of the requirements provided that the school principal, in consultation with relevant faculty, has determined that the student has otherwise demonstrated knowledge and skills in the commencement level CDOS learning standards

➢ Students may use the credential:
- For the purpose of meeting the CDOS +1 Pathway to a diploma;
- As their only exiting credential, provided the student:
    - o has attended school for at least 12 years, excluding kindergarten, or has received a substantially equivalent education elsewhere; or
    - o has reached the end of the school year in which they attain the age of 21
- For students with disabilities, for the purpose of meeting the English language arts and/or Mathematics Regents Examination eligibility conditions for the Superintendent's Determination option

CDOS Commencement Credential

➢ Students are only exempt from CDOS credential requirements missed due to COVID-19 and must fulfill requirements planned for future school years

➢ Exemption from the CDOS credential requirements does not include a waiver for completing at least one employability profile and a career plan within a year of graduation

Students with Disabilities

Districts may waive the 216 hours of CTE coursework (at least 54 of which must be work-based learning) for student with disabilities who meet the requirements to earn a local diploma through Supt Determination

Regents Exam exemptions should be considered a score of 65 for the purposes of diploma determinations involving safety net options or appeals

Regents Exam exemptions cannot compensate for a 45-54 on another exam using the compensatory safety net option

Entirely remote instructed student who did not take 20-21 NYSAA can still be awarded the Skills and Achievement Commencement Credential if they have met all other requirements

State Education Department Presentation 2019

Diploma Endorsements

➢ Assessment exemptions qualify a student to earn a Regents with Advanced Designation if all other criteria has been met

➢ Mastery in Math and/or Science endorsement

- passes 3 math and/or 3 science Regents Examinations with a score of 85 or higher; or
- passes 2 math and/or 2 science Regents Examinations with a score of 85 or higher and has been granted an exemption on a third math and/or science Regents Examination; or
- passes 1 math and/or 1 science Regents Examination with an 85 or higher **and** has earned a final course grade of 85 or higher in 2 additional math and/or science courses culminating in a Regents Examination for which they were granted an exemption.

Diploma Endorsements

➢ Honors Endorsement

– **Students with a minimum of three scored Regents Examinations applicable to the diploma**

o Remove exemptions due to COVID-19 from the calculation

o Compute average of the Regents Examination scores required for the diploma (not including exemptions)

o If computed average equals 90 or above, the student earned the honors endorsement

Diploma Endorsements

➢ **Honors Endorsement**

- **Students with fewer than three scored Regents Examinations applicable to the diploma**

    o Substitute student's final course grade for each exempted Regents Examination in the calculation

    o Computed average of the scored Regents Examinations and the final course grades for courses for which exemptions were granted equals 90 or above, the student earned the honors endorsement

Diploma Endorsements

- **Honors Endorsement**
  - Students may substitute no more than two department approved alternatives for the required Regents Exams
  - Department approved alternatives would be removed from the computed average

- In cases where a student does take one of the 4 Regents Examinations administered in June 2021
  - Use either the final course average

  Or

  - The score on the Regents Examination, whichever is most beneficial to the student in the calculation for Mastery or Honors
    - Substitutions of course averages for Regents Examinations taken prior to June 2021 are not permitted
