# Q5 In what way could this workshop be improved?

Answered: 15   Skipped: 11

#	RESPONSES	DATE
1	I would have liked more information about combining blended learning and traditional	6/24/2019 12:42 PM
2	More time accessing the platform, specifically the individual courses.	6/20/2019 1:16 PM
3	I recall that the information we charted on paper was going to be archived and shared. This would be very helpful to have. Also, possibly developing a brief ppt that can be shared with staff about the program and how it could help them.	6/20/2019 1:04 PM
4	Perhaps earlier in the year, as opposed to the end of the school year, or even during the summer.	6/13/2019 4:12 PM
5	deeper connection to research around online learning at the secondary level -- to help drive conversations and points of consideration (as compared to relying on experience)	6/13/2019 11:43 AM
6	I left feeling pretty satisfied with the information given, I don't think there is anything that needs to be improved.	6/13/2019 11:25 AM
7	Time to coordinate and here from others. What does their program look like? What works etc.	6/13/2019 9:34 AM
8	As I am new to this, nothing that I know of. I took away a lot of information to help me get started.	6/13/2019 8:41 AM
9	Perhaps giving some ideas for thought before we come on the second day.	6/6/2019 9:06 AM
10	Be held much earlier in the school year. The end of the school year is very busy, and it made it hard to be out for two days. Also, by having the trainings when they were, it will be very difficult to find students interested and register them in the week we had left before summer break.	6/6/2019 7:45 AM
11	Not sure.	6/5/2019 9:37 PM
12	Maybe condensing the training into 2-half days.	6/4/2019 12:34 PM
13	Honestly, it was really good - wouldn't change a thing	6/4/2019 12:25 PM
14	Little less sitting and listening - as active people, it is tough to sit and absorb for this length of time, especially in June!	6/4/2019 12:19 PM
15	I don't think that it was necessary to have so many presenters. It felt like too much. Also, asking the same question repeatedly, when answers were already given and not moving on until more were given. Awkward.	6/3/2019 3:18 PM

1	There were engaging activities, but they always consisted of talking in groups and then talking about the same material as a large group. One or the other could have sufficed. It became redundant after a while.	6/6/2019 7:49 AM
2	Great job from your whole team. Looking forward to working with you and the rest of the cohort.	6/4/2019 12:28 PM

#	RESPONSES	DATE
1	Need to organize this with HS staff as central office person (me) cannot do it effectively	6/24/2019 12:44 PM
2	Just to have students identified and be able to see how the program is oriented moving forward.	6/20/2019 1:21 PM
3	As stated earlier, a well-developed short outline or presentation that can be easily shared with others to promote and engage stakeholders to utilize the opportunity. For students and staff alike.	6/20/2019 1:08 PM
4	What the role looks like in other districts, what items should be considered.	6/13/2019 9:38 AM
5	Not sure but I will find out in the fall and will be contacting my resources :)	6/13/2019 9:23 AM
6	Not sure yet, as we are still developing what the role will look like for next year.	6/6/2019 9:09 AM
7	How to move the ball forward once at school. Especially, how to get administrators on board. I know how to register the kids here, but first I need to make sure our administrative team is interested.	6/6/2019 7:52 AM
8	Experience.	6/5/2019 9:39 PM
9	Need to put into action	6/4/2019 12:39 PM
10	Keep learning more about trends in post high school online learning opportunities.	6/4/2019 12:30 PM
11	Nothing at this point - district level conversations need to happen as we move forward.	6/4/2019 12:20 PM
12	I would need to know more about the specifics of the courses available to students.	6/3/2019 3:26 PM

1	It was an excellent overview. It will be helpful to communicate with others as we move into next year.	6/13/2019 9:38 AM
2	Thanks for the training. It helped to identify areas that I will need to address, a starting place for this new venture, and ideas to help get us started!	6/13/2019 9:23 AM
3	I would like to see us get together in late fall after we have started with the courses and see how we all are doing and what the roles ended up looking like.	6/6/2019 9:09 AM
4	I learned a lot. It was nice to see what a course would be like for a student. I know that it wasn't mandatory to do the online work between sessions, but I wanted to do them to make sure I understood what it was like to be in a class. However, it was a lot of work. The one unit took me over 6 hours.	6/6/2019 7:52 AM
5	Thank you for this opportunity for myself and for my students!	6/4/2019 12:39 PM
6	Thanks very much - great start!	6/4/2019 12:30 PM
7	I enjoyed the PD and gained a lot of information about AccelerateU. I still felt unclear about the grant and the specifics of it related to our school district.	6/3/2019 3:26 PM
