EduTech: Student Survey - Post Course Assessment

Introduction

Dear Student:

We are dedicated to improving the academic opportunities available. Regardless of whether you completed or ended up dropping the course, we are interested in knowing about your online course experience. The information you provide will help to better meet your needs and the needs of other students in the future.

The brief survey will only take a few minutes of your time and, in appreciation, you will receive a \$5 gift card to Dunkin' Donuts. Please be assured that your responses will remain confidential.
