1	Focusing on changing the way technology is used in class.	7/19/2019 9:56 AM
2	Not much as I am in the process of becoming an ISTE certified educator, so I have worked on these concepts.	7/19/2019 8:07 AM
3	Examples of apps that can be used.	7/18/2019 12:53 PM
4	Padlet app, actually researching the cost of a pet	7/18/2019 11:53 AM
5	using flip grid in the classroom	7/18/2019 9:16 AM
6	Most of the workshop was a review of online learning for me.	7/2/2019 10:10 AM
7	being able to network and share ideas	7/2/2019 8:24 AM
8	Many uses for padlet	7/1/2019 8:52 AM
9	How to utilize padlet	6/28/2019 4:21 PM
10	Using Padlet	6/28/2019 10:02 AM
11	That we have a lot of common ground and use a lot of the same apps and tools as other places, but it is hard to get access to all of them and have it work alwasys.	6/27/2019 1:08 PM
12	Motivation to try google classroom or padlet.	6/27/2019 6:21 AM
13	Collaboration with other educators about the different technology uses in their classrooms	6/26/2019 3:47 PM
14	i never worked with padlet.	6/26/2019 1:03 PM
15	I think if your district is already doing personalized learning you are ahead of the curve.	6/26/2019 11:06 AM
16	That it doesn't take a lot of tech tools to have an impact on learning.	6/26/2019 10:27 AM
17	Padlet & Edpuzzle. Loved the video on "Creating Digital Stories". Will try to use these concepts in my music class.	6/26/2019 10:22 AM
18	I liked the use of the padlet app. I think it can be used in a variety of ways in the classroom.	6/26/2019 9:51 AM
19	ideas of new technology and tools to implement	6/26/2019 9:32 AM

23	The list of actual digital tools/apps that was created at the end of the session	6/26/2019 8:20 AM
24	using padlet, most workshops use google and so have I and now I am interested in using it more in my classroom	6/26/2019 8:17 AM

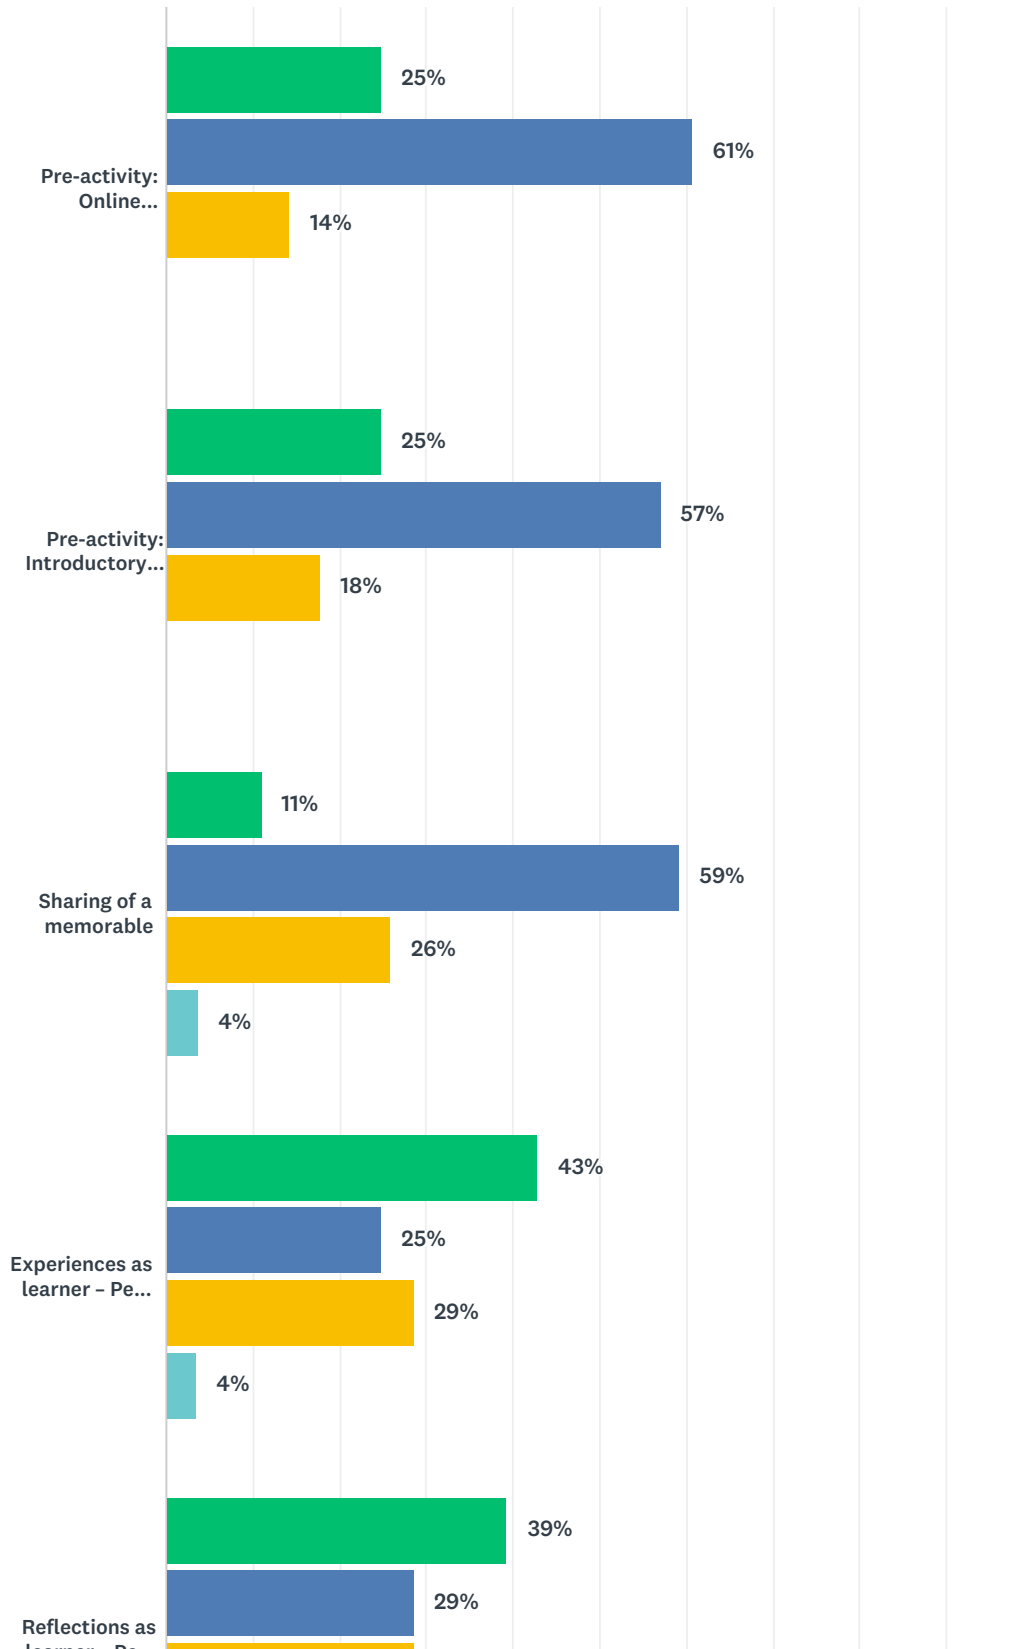

Q6 In what way could this workshop be improved?

Answered: 22 Skipped: 12

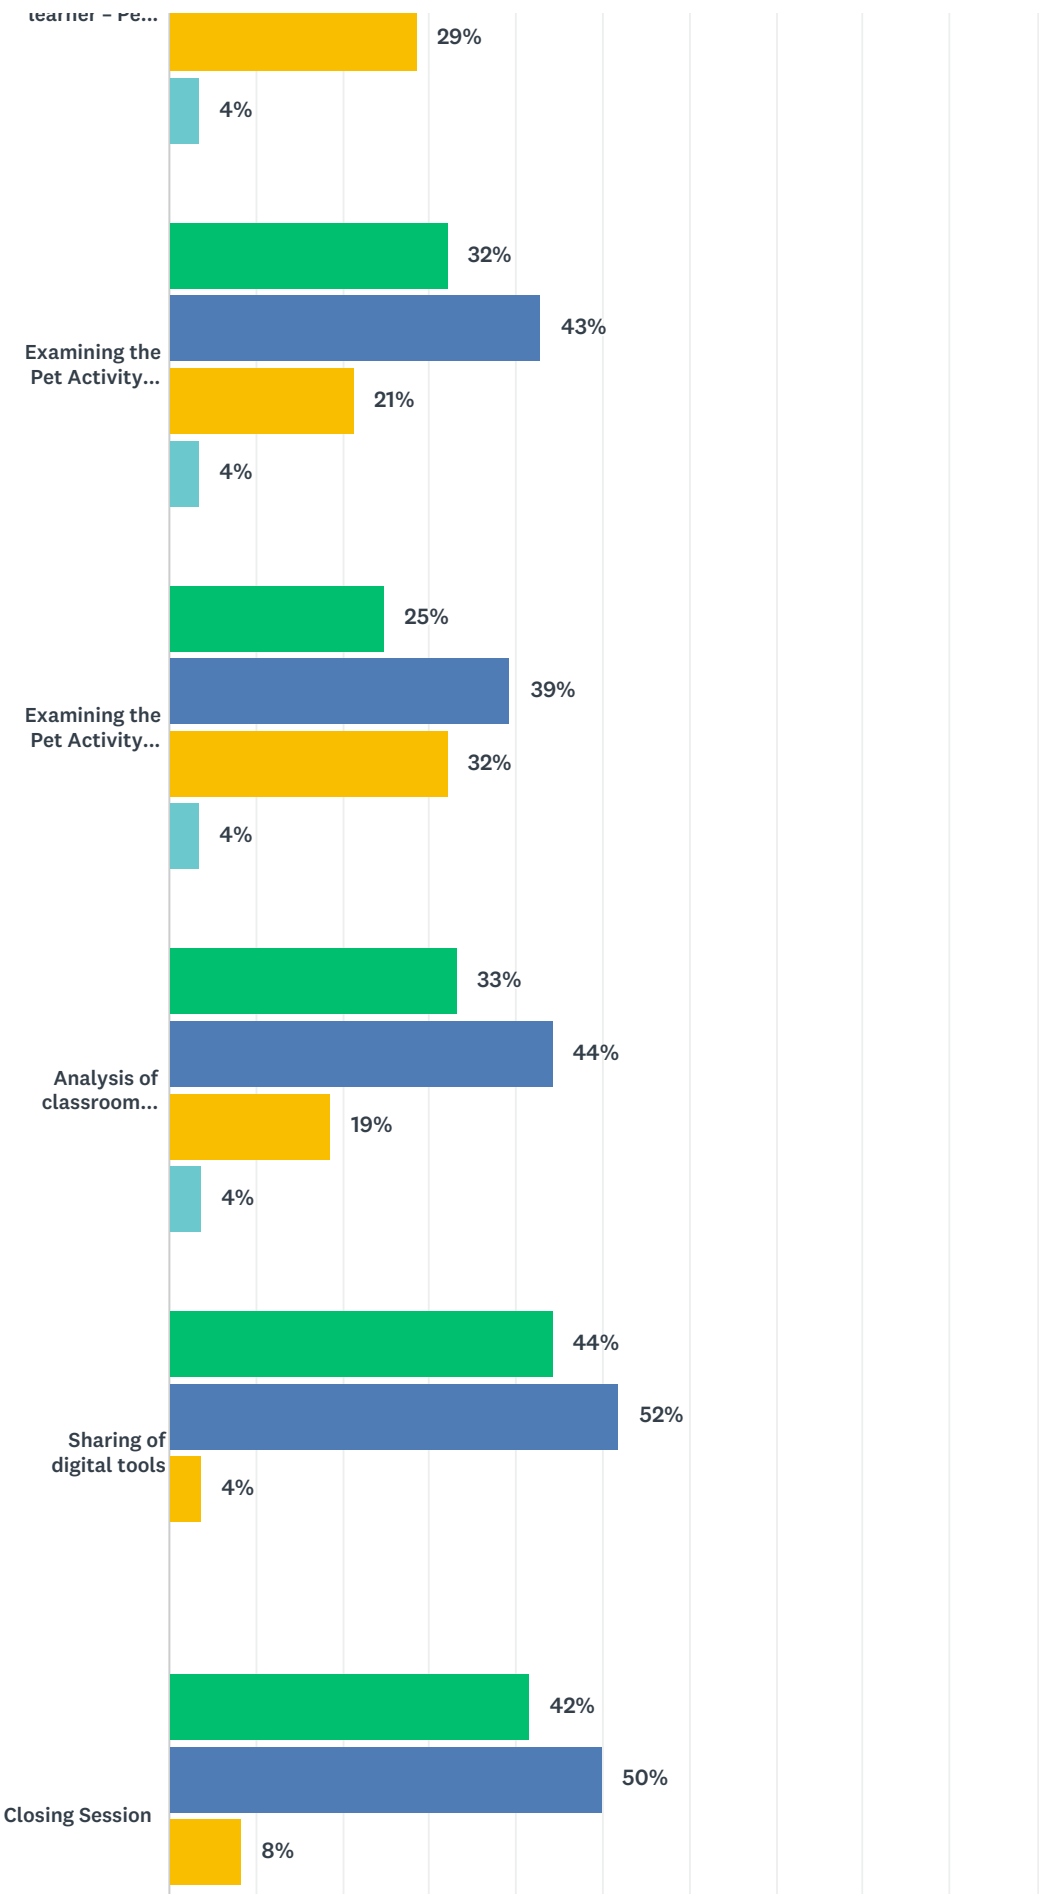

#	RESPONSES	DATE
1	No suggestions!	7/19/2019 9:56 AM
2	Split up the activities. One person led all the activities until the end and it became redundant.	7/19/2019 8:07 AM
3	More examples of uses of apps	7/18/2019 12:53 PM
4	None	7/18/2019 11:53 AM
5	Spending so much time researching a pet and the cost. I saw little value in how that helps me incorporate technology into my class. I already knew how to Google.	7/18/2019 10:54 AM
6	Overview of intention or expected learning outcome discussed at the beginning of class. Then a guide or list taking the group through the step by step process to achieve the end result. The lessons were a bit fragmented.	7/2/2019 10:10 AM
7	List of sites to use	6/28/2019 4:21 PM
8	keep a running log and creat a doc that allows all to share the list of tech tools we use and for what courses	6/27/2019 1:08 PM
9	Group us by subject area that we teach for a while so we can really share what works for example iscience with science teachers.	6/27/2019 6:21 AM
10	A follow up workshop in using other sites, or making the attendees subject or grade level specific	6/26/2019 3:47 PM
11	I wish you spend time on teaching how to set up padlet. I have no idea what to do for that so now I will need to figure that out on my own.	6/26/2019 1:03 PM
12	This workshop had activities that showed us ways to utilize "tools" in the classroom but they did not work when we tried them.	6/26/2019 11:23 AM
13	Perhaps breaking the conferences down by how tech literate you are. This would allow people to expand their horizons more.	6/26/2019 11:06 AM
14	A little more wait time when moving between content so participants can wrap up what they just completed and digest it a bit.	6/26/2019 10:27 AM
15	Maybe some more content-specific sites to explore or content-specific networking ideas.	6/26/2019 10:22 AM
16	Give us more time to practice the activities.	6/26/2019 9:51 AM
17	not sure- all was good	6/26/2019 9:32 AM
18	This workshop seemed to be centered around padlet. Please include more items that are demonstrated with a lesson.	6/26/2019 9:17 AM
19	You have very intelligent facilitators. The agenda was organized. There was very little "Blended" content.	6/26/2019 8:50 AM
20	I wish I learned key principles of Blended Learning.	6/26/2019 8:24 AM
21	It was good/a lot of information in a short period of time.	6/26/2019 8:20 AM
22	shorter activities so we can get to learning about more technologies to use in the classroom	6/26/2019 8:17 AM
