

Security Form- Access to Level 0, ASAP, Test Scoring/Data Warehouse FTP Site

AFTER COMPLETION, THIS FORM IS STRICTLY CONFIDENTIAL

This form is used to establish access to confidential data in the Level 0 and ASAP applications as well as the Secure FTP Site. This level of access includes functionality to import/input, view and confirm the readiness of data from the local education agency below for NYSED collection. The district data coordinator as well as the district superintendent/CEO must authorize the access by signing the form.

1. The requester needs to complete Part A of the form **on-line**, print the form, review Parts B and C and sign in the space provided at the end of Part C for Authorized User.
2. The designated district data coordinator needs to review the form and sign Part C and also secure the signature of the district superintendent/CEO in the space provided and labeled "Superintendent Signature" at the end of this form.
3. **Once the form is complete with all the required signatures, please scan the form and e-mail it to the EduTech data warehouse support team at datawarehouseextracts@edutech.org or return it via FAX to 315.332.7473. If sending via email please indicate "Level 0 Security and your District Name" in the subject line of the e-mail.**

Upon receipt of the signed form, EduTech will review the form for completeness and establish access. The district data coordinator and account requester will be notified when this has occurred.

PART B – USER ID and Password

USER ID: Each user of the system will be assigned a user ID. If authorized user has an existing user ID it will be used.

PASSWORD: EduTech will assign a temporary password. The password is the information that allows each individual user, and only that user, to use the user ID and privileges associated with it.

- EduTech will advise the requester once the user ID and temporary password are established.
- The new user will be responsible for changing the temporary password to one of the user's creation. Passwords need to be between 6 and 15 characters – letters or numbers. They are case sensitive.
- Passwords can be changed by the user on line at any time. It is recommended the user changes the password every 3-6 months.
- If a password is lost, forgotten, or stolen, contact the EduTech Data Warehouse Support Team at 800 722-5797 or datawarehouseextracts@edutech.org
